

Specialty Programs

SOUTHREN
ACADEMY

Where Lawyers Come To Learn.

Custom tailored and co-created to achieve specific, firm-wide goals.

Southren Group's **Specialty Programs** are thoughtfully co-created with each firm to align with their unique culture, challenges, and strategic goals. These programs combine expert-led training, interactive workshops, and small-group sessions to inspire actionable change, all designed through Southren Group's **Know :: Be :: Do :: Method**.

Firm retreats, a hallmark of these programs, focus on themes like enhancing 'soft' skills, fostering ownership mindsets, cultivating business development cultures, and mastering client management. Examples include:

- Exceptional Beyond Technical :: Elevating interpersonal skills.
- Mindset Mastery :: Thinking and behaving as practice owners.
- Beyond Networking :: Building meaningful relationships.
- The Business of Law :: Strengthening client and practice management.

With ongoing tools and tailored support, Southren Group ensures these programs create lasting, firm-wide impact, setting participants and their firms up for sustained success.

“ Testimonials:

I just wanted to say thank you on behalf of the whole team. Everyone is talking about how great our retreat session was today and about you in particular. There are very few people who can do what you do and we are very thankful.

The work you did with us at our retreat today far exceeded my expectations and hopes for what we could accomplish. Thank you!
