

# Results Coaching

SOUTHREN  
**ACADEMY**

Where Lawyers Come To Learn.

## Achieve Clarity. Take Action. Drive Results.

Southren Group's **Results Coaching Program** is designed for lawyers seeking to set and achieve their most meaningful professional goals. Whether you want to grow your practice, enhance your leadership skills, or navigate a career transition, this program provides the strategy, support, and structure to get you there.

With 13 personalized coaching sessions, we help you define your vision and values, map out an effective action plan, and take the right steps at the right time to turn your ambitions into reality.

### What You'll Gain ::

#### **Vision & Values Alignment**

Define what success means for you, anchored in your core values.

#### **Goal Setting & Strategic Direction**

Set measurable, achievable objectives tailored to your career aspirations.

#### **Personalized Action Plan**

Develop a clear roadmap with practical, trackable steps toward your goals.

### Tools + Resources ::

#### **DiSC Psychographic Assessment –**

Understand your strengths and how to leverage them.

#### **Goal-Setting Frameworks & Workbooks –**

Structure your objectives for sustainable progress.

#### **Monthly Planners –**

Track and measure success at every stage.

#### **Self-Assessments & Progress Trackers –**

Stay accountable and refine your approach. Ongoing Planning Tools – Keep your strategy dynamic and aligned with evolving priorities.

### The Southren Group Difference ::

At Southren Group, we believe that success is not an accident—it's the result of intentional action. Our neuroscience-backed coaching methodology ensures that you gain the insights, skills, and habits to consistently move forward in your career.

**Transform your ambition into action. Let's build your success—one step at a time.**
