

Executive Leadership Coaching Program

SOUTHREN
ACADEMY

Where Lawyers Come To Learn.

Lead with Purpose. Inspire Change.

The **Executive Leadership Coaching Program** is for visionary leaders seeking to elevate their impact, lead with authenticity, and foster a growth mindset. This program doesn't just enhance performance; it redefines your approach to leadership, equipping you to create sustainable success in today's dynamic workplace.

What You'll Gain:

Executive Presence + Confidence

Build an executive presence that inspires, guiding your team with both resilience and empathy.

Master Self-Awareness + Resilience

Harness the power of self-awareness to navigate stress, overcome setbacks, and make confident decisions in high-stakes situations.

Drive Engagement

Shape an inclusive workplace culture where everyone feels seen, valued, and motivated to contribute at their highest level.

Enhance Communication Skills

Develop the communication mastery needed to engage and influence, from the C-suite to the front lines.

Program Features:

Over 12 personalized coaching sessions, the **Executive Leadership Coaching Program** is tailored to meet your unique leadership style and goals. Southren Group's expert coaches work closely with your corporate sponsor to ensure alignment within your organization.

All of our coaching programs are delivered within a twelve-month period, supported by several proprietary tools and resources that help our clients progress toward their goals, setting them up for success in their post-coaching period.

Tools include: DiSC psychographic assessment, goal and objective setting frameworks, pre-session and in-session worksheets, self-assessments and progress surveys.

Become the Leader You Aspire to Be:

In a complex, diverse, and hybrid workplace, great leaders are always evolving. This program empowers you to reconnect with your purpose, cultivate new skills, and build the resilience to thrive in any environment.
