

# Empowering Lawyers to Achieve Their Full Potential

Transforming legal practices through tailored coaching, training, and consulting.

SOUTHREN  
ACADEMY

## One-on-One Coaching

Highly-effective and personalized, our certified coaches take clients through a series of sessions in support of business development growth, strategic planning, leadership or returning from leave.

## Career Transition + Outplacement

Personalized support for lawyers navigating career changes, offering career counseling, job search strategies, and networking guidance to help you build confidence and secure roles that align with your goals.

## Know :: Be :: Do :: Group Training

This program helps lawyers take control of their business development by creating personalized plans that align their practices with the work and clients they value most. Rooted in neuroscience and adult learning, it's designed to inspire, engage, and empower.

## Specialty Programs

Custom tailored and co-created we offer customized firm retreats focused on strategic goals. Each retreat includes themed training, interactive workshops, and small group sessions, covering topics such as soft skills, leadership, business development, and client management.

## Women Managing Partner Forum

The Women Managing Partner Forum unites women law firm leaders for collaborative discussions, offering insights, strategies, and a lasting network for mutual growth and support.

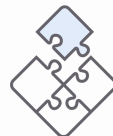

SOUTHREN  
CONSULTS

## Small Firm Startup

We help solo and small-firm lawyers navigate the complexities of launching their own practice and building a sustainable, thriving business.

## Fractional Law Office Management

These services help smaller firms optimize operations through strategic, project-specific support. We deliver solutions that boost efficiency, financial stability, and compliance for success.

## Strategic Planning

Through collaborative sessions and tailored resources, we help develop living roadmaps that evolve with your firm's needs, ensuring continuous growth and success.

## Additional Tools + Resources

All our programs include a range of, tools and resources—like assessments, planners, videos and personalized resources, and the Southren Academy online Learning Platform, to reinforce learning and drive lasting progress, equipping clients to achieve their goals with confidence.
